

Hello Families: IMPORTANT INFO ABOUT RECITAL

We are growing as a studio which is so exciting for us! This also means that our original format for recital needs to change since we no longer fit in the auditorium with 2 shows. We searched for a bigger venue that could accommodate us but in pursuing those venues we were not willing to commit to raising our ticket prices by at least \$20 or switching our dates drastically. Our solution for this year is to split our classes into 3 separate shows. Show A, Show B, and Show C. This will accommodate our large numbers and give every family a chance to invite all of the loved ones they would like. This new format also means that we are needing to put a matinee show on Sunday May 27. It was not our original intention to schedule anything on a Sunday and we recognize that it is a day of rest therefore, we did our best to limit the amount of time that will be required for you as a family. Please see the details below for each show and don't hesitate to ask any questions if you need clarification. Thank you for understanding and being patient with us in this change. The Recital checklist will be given mid-March for more details.

Dress Rehearsal 1: Friday May 25 @ 5-9 pm All classes ages 9 and up.

Dress Rehearsal 2: Saturday May 26 @ 10-12 pm All classes ages 3-8.
